

IP / Legal Manager

Keywords: Intellectual Property, Patents, Patent Maintenance, Legal, Licensing, Royalties, Representations & Warranties

Overview

Quidient seeks a talented IP/Legal manager to join our growing team. In this role, you will work closely with outside counsel, including IP, Licensing, Corporate and Contract attorneys. You will manage legal budgets and taking as much of the drafting/strategic load from outside counsel as is efficient. This is key position at Quidient. The ideal candidate will have a technical background with experience and a passion for companies developing game-changing technologies.

Requirements

- Bachelor's degree in a computer science related field or JD with a focus in IP.
- Knowledge of USPTO and PCT rules and procedures.

Preferences

- Excellent verbal communication and writing skills.
- Experience drafting and filing documents in relation to patent matters with the USPTO.
- Experience with IP searches to determine status and ownership of properties
- Experience working with IP licensing agreements for a similar company to Quidient
- Have a working knowledge of domestic patent laws.
- Experience and aptitude in corporate law and contract law including government and commercial contracting.
- Familiarity or exposure to the tech industry.
- Proven ability to work independently and within a team environment.
- Candidates with a degree in CS followed up by a JD will be strongly considered
- Have an active Maryland bar license.
- Be willing to wear multiple hats in a start-up environment with massive potential for growth.
- Live near, or be willing to relocate to, our tech center in Columbia, MD.

About Quidient

Quidient (www.quidient.com) is a 3D imaging technology company with a tech center located in Columbia, MD. We are scientists, engineers, and entrepreneurs who have built some of the most advanced 3D imaging systems in the world. Our mission is to become the world's preferred supplier of scene reconstruction and processing engines for digital devices like smartphones and AR glasses. Our Quidient Reality™ Engines record 3D geometry and 2D light flowing in generalized scenes and will enable thousands of applications that will transform the way we live and work. We are partnering with some of the top organizations on the planet. Our culture is open, honest, supportive, decentralized, multicultural, and high-performance.

If you are interested in a career with Quidient and feel qualified for the position described, please send your resume in confidence to brandon.turley@quidient.com or scott.ackerson@quidient.com (CEO) Quidient is an equal opportunity employer. Direct applications only.
